An admission police cannot control the situation. This is a complete mess and textbook mismanagement. They allowed the truckers to set up shop next to the PMO and West block and where tends of thousands of people live, and now realize the problem they help create. Unbelievable. <https://t.co/cTPFOc3Anz>

The pps RCMP guy in caucus said as much. He said he didn't want to let them onto Wellington, but it wasn't his call.
